

Guidelines for Application on the “Hamaguchi Award 2024”

QUALIFICATION

The award is given to individuals and /or organizations that have made significant contributions to the enhancement of coastal resilience against tsunami, storm surge and other coastal disasters.

- Researcher (scientific contributions)
- Practitioner (pragmatic contributions)

SELECTION RANGE

Achievement until the end of 2023 will be evaluated.

CANDIDACY CRITERIA

The candidates eligible for the Hamaguchi Award are those persons or organizations nominated by qualified nominators as follows:

- Ministries and government offices, U.N. agency, or Japan International Cooperation Agency (JICA) of each country
- Other researchers (for researcher nominee only)

One nominator can recommend one nominee only.

The nominator must submit the nomination form and if necessary reference materials.

SELECTION

The Selection Committee on the Hamaguchi Award will select the recipients.

AWARD CEREMONY

The award ceremony and commemorative lectures by recipients will be held in Tokyo, Japan, in late October or early November.

DEADLINE

The entry must be received no later than May 31, 2024.
